

TAYLOR TEST KITS

TAYLOR COMPLETE SERIES

A. PROFESSIONAL COMPLETE CHLORINE

Provides the pool professional with accurate and reliable analysis of the major testing requirements for all pools, spas, and hot tubs. Each kit contains slide comparators which provide the most accurate calorimetric comparisons available. The professional complete test kit, tests for DPD chlorine 0.0–3.0 p.p.m. and 1.0–10 p.p.m., pH 6.8–8.4, acid and base demand, total alkalinity, calcium hardness, cyanuric acid, copper 0.0–3.0 p.p.m., iron 0.0–2.0 p.p.m. and total hardness. A must for every pool professional.

K-1741C Professional complete \$386.00

B. COMPLETE FAS-DPD CHLORINE

Uses a comparator for sanitizer tests to improve accuracy and eliminate color-matching problems, and Free & Combined Chlorine 1 drop = 0.2 or 0.5 ppm
K-2006 Complete FAS-DPD Chlorine \$67.25

COMPLETE FAS-DPD BROMINE

Same as K-2006 except CYA test is not needed and Bromine 1 drop = 0.2 or 0.5 ppm
K-2106 Complete FAS-DPD Bromine \$70.40

SERVICE COMPLETE FAS-DPD CHLORINE

Same as K-2006 except features 2 oz. reagents, more powder, and large carrying case
K-2006C Service Complete \$118.25

C. CHLORINE(free, combined, complete)

1 drop = 0.2 or 0.5 ppm
0.75 oz. reagent **FAS-DPD**
K-1515-A Chlorine Test 3/4 oz bottle \$24.05
K-1515-C Chlorine Test 2oz bottle \$61.00

TAYLOR COMMERCIAL SERIES

Kits in the Commercial Series test for two closely related parameters using liquid-color standards. The Slide and Midget comparators in this series give the **most accurate colorimetric readings available** short of high - end electronic instrumentation. Cases are custom-molded plastic; reagents are .75 oz. in Midget kits and 2 oz. in Slide kits. If you are an operator or regulator of a commercial facility and you don't see the ranges or combinations to meet your local ordinances, call us toll-free at 800-TEST KIT.

THE SLIDE COMPARATOR

Recognized by nine liquid-color standards and three test cells. Slide sits in Enslow base. Measures one parameter. Calibrated to work with specific reagents. Use to compensate for color and/or turbidity in the water sample.

F. DPD CHLORINE-HIGH & pH SLIDES

Free & Total Chlorine 1.0 - 10 ppm pH 6.8-8.4
K-1765-H Chlorine-High & pH Slides \$141.00

DPD CHLORINE-LOW & pH SLIDES

Free & Total Chlorine 0 - 3.0 ppm pH 6.8-8.4
K-1765 Chlorine-Low & pH Slides \$141.00

DPD BROMINE-HIGH & pH SLIDES

Bromine 2.0 - 10 ppm pH 6.8-8.4
K-1787H Bromine-High & pH Slides \$137.00

DPD BROMINE-HIGH & pH SLIDES

Bromine 2.0 - 10 ppm pH 6.8-8.4
K-1787 Bromine-Low & pH Slides \$137.00

G. DALITE LAMP

Testing Indoors? You'll need a source of simulated daylight for accurate color matching. Use the Daylite with Slide Comparators.
9195 Daylite Lamp \$154.00

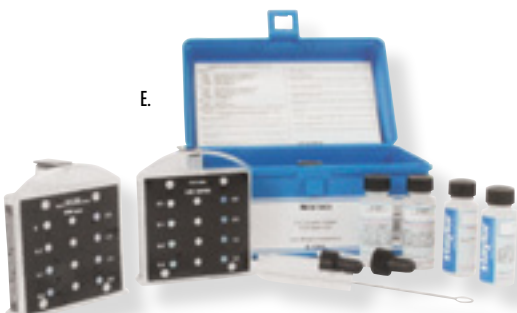

D. CHLORINE(free, combined, complete)

Same as K-1515 with 2 oz. reagents except 1 drop = 0.2 ppm only, plus test to distinguish monopersulfate shock **FAS-DPD**
K-1518 Chlorine Test \$64.25

E. COPPER & IRON MIDGETS

E. COPPER & IRON MIDGETS

Copper 0.2 - 3.0 ppm Iron 0-2.0 ppm
K-1264 Copper & Iron Midgets \$86.55

THE MIDGET COMPARATOR

Recognized by eight liquid-color standards and a single test cell. Measures one parameter. Calibrated to work with specific reagents. Use when color and turbidity in the water sample are not problems.

METER KITS

Two Industry leaders team up to give you test results you can rely on: these kits feature advanced technology from the **Myron L Company**, America's foremost manufacturer of handheld instruments for water analysis, plus the Taylor chemistries you know and trust.

H. MYRON L MODEL pH1 in K-6510(pH Meter)

- Range 0-14pH • Resolution .01pH
- Auto Temp. Compensation 0-71°C or 32-160°F
- Calibration - finger adjustment controls
- Power - 9V alkaline battery (with low battery warning)
- Weight - less than 12 oz.
- Meter Warranty - limited 2-year from Myron Co.

K-6510 Meter Kit \$637.00

I. MYRON L MODEL 512T5 in K-6540(TDS Meter)

- Range 0-5000 PPM TDS
- Resolution - taut band meter movement
- Auto Temp. Compensation 10-71°C or 50-160°F
- Calibration - finger adjustment controls
- Power - 9V zinc carbon or alkaline battery
- Weight - 16 oz.
- Meter Warranty - limited 2-year from Myron Co.

K-6540 Meter Kit \$470.00

J. GEPE SLIM LITE

Accurate color matching with the 2000 series comparators. Lightweight and portable. **9199 Gepe Slim Lite \$117.50**
