POOL CLEANER**

B. KINGSHARK By Aqua Vac®

Introducing a new, updated look for Aqua Vac's smaller commercial unit, now equipped with easier to clean filters. It performs with the same efficiency of the larger units. It's fully automatic, completely self-contained and requires no hook-up or hoses. Plugs into standard GFCI outlet. Cleans 30' x 60' pools in less than 3 hours! Removable filters rinse clean in minutes.

#2056 KingShark with 100 foot cord \$1,555.00

COMMERCIAL POOL CLEANER

C. KINGSHARK 2 PLUS By Aqua Vac®

World class performer. Has all the outstanding features of the KingShark 2 plus gives the option of spot cleaning or quick clean-up using the wireless*, handheld remote control, plus a control box with built-in digital timer for overnight cleaning, plus Auto Turn, plus a caddy cart, plus an extra set of filter cartridges. Auto Turn allows the KingShark 2 PLUS to maneuver the entire pool without getting caught in lane markers or stuck in unusual corners. The Caddy Cart allows for the mounting of the Control box, portability and easy storage. The KingShark 2 Plus was used to clean the pools in the past 6 Olympics from Barcelona to Sydney. Built to last.

#2053-SW KingShark 2 Plus cleaner with control box, wireless remote control, Auto Turn, swivel, caddy cart, and spare filters \$5,695.00

#2054 KingShark 2 / KingShark 2 Plus Hoist . . . \$399.00

D. TigerShark 2 By Aqua Vac®

Ruler and strongest of the realm! TigerShark 2 calculates the size of the pool and programs itself into the most time and energy efficient pattern for a spotless pool. Cleaning times are preset at 10 hours. The first portable robotic cleaner to feature an easy-to-clean cartridge filter rinsed with garden hose. Cleans everything in its path. TigerShark's powerful on-board pump sucks up dirt and debris while roving both the bottom and walls for a pool that sparkles from rim to rim! Features one of the best warranties in the category.
