SHOCK TREATMENT/WATER BRIGHTENERS

A. CLEAR BLUE

A highly concentrated swimming pool water clarifier. Clear Blue clears cloudy water fast by helping the filter remove suspended particles that dull the water and reduces the organic content of the water so that you will use less chlorine. Clear Blue's highly concentrated formula restores sparkle to dull water.

#3421 gallon bottle . . . \$42.70 #3423 quart bottle . . . \$12.70
Dosage: initial treatment 1 oz. per 5,000 gallons of water.
Maintenance treatment: 1 oz. per 5,000 gallons weekly.

B. NATURAL CLEAR

Enzyme action scum remover. Naturally clears cloudy water and eliminates scum and odors. Protects filters from oily build-up and clogging, increases length of filter runs. Natural enzyme action dissolves oils, lotions and other organic contaminants. 100% biodegradable, non-toxic, non-irritating and safe for the environment.

#3405 quart bottle . . . \$9.75 #3407 gallon bottle . . . \$32.60
Dosage: initial maintenance: 16 oz. per 10,000 gallons of water.
Weekly maintenance: 8 oz. per 10,000 gallons of water.

C. DROP 'N' VAC

Settles unfilterable material for easy vacuum removal. Drop 'N' Vac is a non alum flocculent which settles floating debris, such as silica and dead algae to the pool bottom for easy removal by vacuum. This product works in any type of sanitized pool, including peroxide based, and will not affect equipment or pH levels in swimming pools.

#3413 quart bottle . . . \$14.40
Maintenance directions: use 10 oz. per 10,000 gallons of water. Pour content into bucket, spread over entire pool, run pump for 2 hours, then shut off, and let the unfilterable material settle overnight, then vacuum to waste.

D. PARTY BLUE

- Turns water a brilliant blue.
- Homeowners will feel they are swimming in the Caribbean Sea.
- Use just one ounce per 10,000 gallons.
- Lasts for several days at normal sanitizer levels.
- Will not harm pool surfaces or swimsuits at proper doses.

#3422 8 oz. bottle . . . \$7.25
Dosage: 1 oz. per 10,000 gallons.

E. BUG-OUT

Gets rid of bugs from pool water surface. A unique formulation for swimming pool water care that makes water "so wet" that insects cannot stand on its surface. Bug-Out reduces the surface tension of the water causing floating insects to drop to the pool bottom where they can be easily removed by vacuuming. Dosage: 4-8 fl. oz. per 10,000 gallons of water.

#3444 quart bottle (not shown) . . . \$14.60

F. OXY-BRITE

Is a non-chlorine granular oxidizer for shock treatment of swimming pools. New/Blue Oxy-Brite now has a distinctive blue color that identifies America's original non-chlorine shock treatment formulations from all others. By oxidizing chloramines and other impurities, water sparkle and clarity is restored. Unpleasant chlorine odors are eliminated and eye and skin irritation is prevented. Will not bleach or damage vinyl liners, solar covers, or swimsuits. No need to close down pool or spa after shocking. Prevents chloramine build-up. Reduces chlorine or bromine demand, making chlorine or bromine sanitizers more effective.

#3400 1 lb. pouch . . . \$6.40 #3406 20 lb. pail . . . \$104.50
#3402 2 lb. bottle . . . \$13.70 #3408 50 lb. drum . . . \$231.00
#3404 5 lb. bottle . . . \$30.55

Dosage: initial treatment 2 lb. per 10,000 gallons of water.

Maintenance treatment: 1 lb. per 10,000 gallons of water.

ALGAE CONTROLS

G. ALGIMYCIN® "2000"

The newest, E.P.A. approved algaecide kills, prevents and controls black, green and yellow algae. Proprietary non-metallic formula gives fast and effective control with no foaming or staining.

#3429 quart bottle . . . \$23.30 #3431 gallon bottle . . . \$82.00

Dosage: initial treatment 8-12 oz. per 10,000 gallons of water.

Weekly maintenance: 4-8 oz. per 10,000 gallons of water.

H. ALGIMYCIN® "1000"

Eliminates the toughest algae, especially black. Patented "Triple Chelation" process holds copper/quat ingredients active in solution for longer algae control. Swim immediately after treatment.

#3425 quart bottle . . . \$23.75

Visible algae growth: 12 oz. per 10,000 gallons of water.

Maintenance dosage: 6 oz. per 10,000 gallons of water.

ALGAE CONTROLS

I. ALGIMYCIN YELLOW

Granular formulation clears cloudy water while leaving no chemical residue and eliminates yellow pool slime.

#3439 quart bottle (Not Shown) . . . \$19.05

J. STRIKE OUT

A chelated copper-based algicide. Strike-out is a liquid chelated copper-based algicide which stays active in the pool longer than non-chelated forms of copper algicide.

#3448 quart bottle . . . \$14.95

Dosages: initial treatment 10 oz. per 10,000 gallons of water.

Maintenance treatment: 5 oz. per 10,000 gallons of water every two weeks.

K. ALGIMYCIN® "600"

Triple-action 60% polymer algaecide destroys, prevents regrowth and increases water clarity all in one step.

#3433 quart bottle . . . \$20.10

L. ALGAE X

A long lasting multi-purpose polymer algicide Algae X is effective over a wide pH range and can be used in pools treated with chlorine chemicals and may reduce the amount of those chemicals normally required. Recommended for treating black algae.

#3445 quart bottle . . . \$15.70

Dosage: initial treatment 14-24 oz. per 10,000 gallons of water.

Weekly treatment: 4-9 oz. per 10,000 gallons of water.

M. VANQUISH

Effective and quick treatment for pink, white and clear slime deposits in swimming pools. Vanquish clears cloudy water in all types of swimming pools. Easy to use liquid formula – just pour into affected areas. Vanquish is compatible with all sanitizers including, bromine, chlorine, Baquacil, and Softswim.

#3437 quart bottle . . . \$17.95

Dosage: 16 oz. per 10,000 gallons of water. Wait 4 hours, add 1 lb. chlorine thru skimmer. Then, wait overnight and vacuum to waste.

N. ULTIMA

All in one Algicide and Shock combines the power of chlorinating compounds and copper for immediate anti-algae shock treatment.

- Treats all algae including Black, Green and Yellow Plus. It shock treats at the same time.

- Ultima does not upset the pH balance of the pool.

#3424 3 lb. granular bottle . . . \$17.50

Dosage: 3 lb. per 20,000 gallons.
